HEART’S DELIGHT is widely recognized as a premier destination event where master winemakers, culinary greats and our distinguished guests gather to play and bid in the Nation’s Capital. This distinctive event is a four-day celebration of exceptional wine and food with unique touches woven throughout.

- - - - - - - CHAIRMAN: BRIAN KEARNEY, KEARNEY & COMPANY - - - - - - -

WEDNESDAY, MAY 10TH is the Congress Has Heart celebration showcasing some of the best in American wine. Highlighted wines will be presented by owners and winemakers and will include a live auction. This will be followed by the highly sought after BYO Collectors Dinner.

THURSDAY, MAY 11TH is our Embassy & Winemaker Dinner Series. These intimate experiences feature dinners at the official residences of Ambassadors, personally hosted dinner parties at the homes of area wine enthusiasts and vintner-led dining experiences at some of Washington, DC’s most notable restaurants.

FRIDAY, MAY 12TH is the Vintners Dinner & Auction. This is Washington, DC’s most exclusive fine dining and wine event of the year. The evening will highlight the wines of Château Mouton Rothschild presented by Philippe Sereys de Rothschild and Philippe Dhalluin. The dinner is followed by a live auction led by Sotheby’s Jamie Ritchie featuring wine directly from the cellars of our friends from Bordeaux in grand format.

SATURDAY, MAY 13TH is our Bordeaux Master Class & Grand Tasting. It is a festive celebration of the epicurean lifestyle. You will participate in a unique wine tasting experience with the visiting Château owners and wine directors. This year’s tasting will include the 2014 Bordeaux vintage as well as an older vintage chosen by the Château. The adventure continues with exciting seminars, wine from around the world, and food prepared by some of the country’s favorite chefs plus a spirited silent and live auction.

Over the past seventeen years Heart's Delight has raised more than $15 million for the American Heart Association. The event began in 1999 in memory of Bruce Bassin of MacArthur Beverages. The mission of the American Heart Association is to build healthier lives, free of cardiovascular diseases and stroke. Heart disease is the number one killer in the nation and stroke is number five. It is only through the continued support of qualified research projects and tailored educational opportunities that will allow us to bridge the gap between current knowledge and future lifesaving techniques.
