

Program Art Specifications

Heart's Delight Wine Tasting & Auction | May 8 - 11, 2024

The Heart's Delight program book reaches all of our guests before, during, and after Heart's Delight. It is a 300-page spiral bound book that contains an overview of all four days of events, a listing of all auction lots, and chef/winemaker bios. It is delivered prior to the event as a preview catalog and is kept after the event as a souvenir. It is used year-round as a marketing tool.

The artwork you provide for the program is a great opportunity to reach an affluent market of wine and food enthusiasts as well as a chance to show your support in the fight against heart disease and stroke.
