

25TH ANNUAL HEART'S DELIGHT WINE TASTING & AUCTION WASHINGTON, DC

An event of the American Heart Association

Chair: Katherine Lugar, Hilton

Heart's Delight is widely recognized as a premier destination event where master winemakers, culinary greats and our distinguished guests gather to play and bid in the Nation's Capital. Join us for the only four-day celebration of exceptional food and wine as we celebrate 25 years of life-saving impact.

WEDNESDAY MAY 7 is the Congress Has Heart celebration showcasing some of the best in American wine. Highlighted wines will be presented by owners and winemakers and will include a live auction. This will be followed by the highly sought-after BYO Collectors Dinner.

THURSDAY MAY 8 is our Embassy & Winemaker Dinner Series. These intimate experiences feature dinners at the official residences of Ambassadors, personally hosted dinner parties at the homes of area wine enthusiasts and vintner-led dining experiences at some of Washington, DC's most notable restaurants.

FRIDAY MAY 9 is the Vintners Dinner & Auction. This is Washington, DC's most exclusive fine dining and wine event of the year. The evening features the wine of Château Montrose presented by Charlotte Bouygues paired with exquisite cuisine. The dinner is followed by a live auction led by Jamie Ritchie featuring wine directly from the cellars of our friends from Bordeaux in grand format.

SATURDAY MAY 10 is our Bordeaux Master Class & Grand Tasting. It is a festive celebration of the epicurean lifestyle. You will participate in a unique wine tasting experience with the visiting Château owners and wine directors. This year's tasting will be hosted by Neal Martin and will include the fabulous 2022 vintage as well as an older vintage chosen by the Château. The adventure continues with wine from around the world, and food prepared by some of the country's favorite chefs plus a spirited silent and live auction.

Since 1999, Heart's Delight has raised more than \$25 million net for the American Heart Association. The event began in memory of Bruce Bassin of MacArthur Beverages. Building on over 100 years of trusted leadership in cardiovascular and brain health, by 2028 the AHA will drive breakthroughs and implement proven solutions in science, policy and care for healthier people and communities. The greatest discoveries in health must reach people where they are.
